Mission Statement

Coker College uses the Cecelia Coker Bell Gallery to broaden our student's exposure to artists with regional, national, and international reputations. Interest in our exhibition program extends beyond the Hartsville community and we encourage public participation. We have shown artists from France, Australia, Canada, Germany, Japan, the Netherlands, Peru, Portugal, South Africa, and all regions within the United States. Works exhibited in our gallery are for sale; however, we do not focus on sales and sales are not common. Coker's exhibition review committee selects thought provoking art that challenges and inspires. With this in mind, our review committee looks for innovative works of art by artists who desire exposure in an academic setting.

What You Send

Send *ten jpg files** (CD or DVD), or *ten 35mm slides**, plus a list for images, statement, resume, and Self Addressed Stamped Envelope, if you want material returned. Reviews, web pages, and catalogues are welcome supplementary information, but are not required or expected. If you don't want prefer email notification of review results, please include that e-address.

**Image viewing programs and web sites will not be presented at our exhibition review: jpg & slides, only.*

Image Format

Applicant may submit a CD or DVD containing images in a jpg format with a recommended size of 1024 x 768 pixels. Digital files are viewed with a

video projector and should hold up to close examination. *Do not send files as part of a viewing program (such as PowerPoint).* We want files that we can drag and drop into our own picture-viewing program.

- *Web sites are too slow for committee review and large digital files are awkward to handle and organize when sent by email.*
