I certify that I am or was in legal guardianship as determined by a court in my state of legal residence. In order to be eligible for this status, you must have been placed in legal guardianship rendered in a court located in your state of legal residence at the time the court’s decision was issued. You either have to be in legal guardianship at the time you completed the FAFSA, or have been in legal guardianship immediately before you reached the age of being an adult in your state.

- Please attach a copy of the court order designating your status as being in legal guardianship.

I am not considered to be in legal guardianship. Since you do not qualify as an independent student based on being in a legal guardianship, you will need to:

- Correct your FAFSA by answering NO to the question #55 “Are you or were you in legal guardianship as determined by a court in your state of legal residence?”
- Complete the FAFSA with parent(s) information, including a parent signature.

I declare that all the information reported on this document is true and accurate. I understand that any false statement or misrepresentation will be cause for denial, withdrawal and/or repayment of financial aid.
